Dear Prospective Sponsor

The Two Rivers Dog Musher's Association (Federal Tax ID: 20-0661583), TRDMA, strives to provide fun and safe sled dog races in the Interior of Alaska. As our 35th racing year, we have some exciting events planned for this season! We are a volunteer run organization and our success depends on your generous support so if you aren't already, please consider becoming a TRDMA sponsor for the 2022-2023 race season. If you are already a sponsor, thank you thank you, you are the backbone of this association. Any size or form of donation is greatly appreciated.

In previous years TRDMA has hosted races such as the Funjor Dryland Races, Solstice 50/100, Two Rivers 200/100, along with the end of the season event; the Valley Funale. As you may know, the last few years have been tough, we have not had the resources to host these races but we are striving to build the foundation to bring these events back to the community. The TR200 is an accepted Iditarod and Yukon Quest qualifier that we wish to continue to host for future mushers of our community. Two Rivers is known as "The Valley of Champions" because of the many successful mushers who have lived and trained on the same trails we continue to use. We would love to maintain this title.

This year TRDMA is especially focused on boosting our club's involvement in the community. So far this year we have hosted a Cornhole Tournament Fundraiser and one of our semi-annual Rabies Clinics. Thank you to all who attended the Cornhole Tournament! At the clinic we were able to vaccinate 184 pets with our partnership with Jeanne Olsen, DVM. We plan to host a Solstice Invitational, a few mid-season races, our second rabies clinic and then continue the tradition of finishing the season out with our 10 mile Valley Funale race in March. We would love to have your support for our upcoming season. Our next fundraiser, the Mukluk Potluk, is our primary source of revenue each year. The Mukluk Potluk will be December 16th from 6- 9 pm at the Pleasant Valley Community Center in Two Rivers. We would love to have your attendance and support for this event, all of our sponsors receive two complimentary tickets to show our appreciation for their donation.

Donations are imperative to our success as a club. In return we provide your business exposure to the mushing community through social media and in person recognition at the events we host. We have multiple levels of sponsorship, shown on the next page. If you would like to donate for the potluck, please return the following form by November 15th. Donations made after this date will go towards future races and events.

Thank you for your time and support, we look forward to seeing you at our events. Mush on!
